Abdomen

Massive perirenal and intra-abdominal bleeding after shock-wave lithotripsy: case report (Maziak and others) (CR) 329

Abdominal injuries

Abbreviated laparotomy for damage control: a case report (Brenneman and others) (CR) 237
Damage control: a plea for extended resuscitation (Dontigny) (QS) 184

Abnormalities

Extremity arteriovenous malformations: review of a series (Carr and others) (OA) 293
A variant of Poland's syndrome (Fabian and Fischer) (OA) 67

Abscess

Foreign-body abscesses presenting as soft-tissue tumours: two case reports (Ferguson and others) (CR) 503

Accreditation

Criteria for the accreditation of noninvasive vascular laboratories (Cole and others) (CSVS) 104
Guidelines for the vascular laboratory (Harris and McPhail) (QS) 87

Acetylsalicylic acid See Aspirin

Adolescence

Changing patterns of scaphoid fractures in adolescents (Stanciu and Dumont) (OA) 214
The value of computed tomography for the diagnosis of recurrent patellar subluxation in adolescents (Stanciu and others) (OA) 319

Age factors

Preoperative cardiac evaluation of the patient with vascular disease (Maziak and others) (RA) 95

Alberta

Cystic hydatid lung disease in northwest Canada (Moore and others) (OA) 20

Amputation

Limb salvage for bone sarcomas (Bell) (QS) 447
Limb salvage surgery for widely infiltrating bony sarcomas (Temple and others) (OA) 479

Anatomy

Surgical Anatomy of the Temporal Bone. 4th edition. James A. Donaldson, Larry G. Duckert, Paul M. Lambert and Edwin W. Rubel (Schramm) (BR) 74

Ancrod

Heparin-induced thrombosis treated with ancrod (Brennan and MacKean) (OA) 161

Aneurysm

Atlas of Operative Microneurosurgery. Vol. 1—Aneurysms and Arteriovenous Malformations. John M. Tew, Jr. and Harry R. van Loveren (Wallace) (BR) 516

Pseudoaneurysm of the cystic artery: a rare cause of hemobilia (Barba and others) (OA) 64
Swan-Ganz catheter-induced pulmonary artery pseudoaneurysm: a case of complete resolution without intervention (You and Whatley) (CR) 420

Aneurysm, ruptured

Percutaneous transluminal angioplasty for cerebral vasospasm after subarachnoid hemorrhage (Coyne and others) (OA) 391

Angelchik antireflux prosthesis See Prosthesis

Angiography

Carotid endarterectomy (Salvian and Hsiang) (C) 91
[reply] (Cartier) (C) 372
(Wallace and Coyne) (C) 91
Symposium. The current management of carotid artery disease: 2. Current noninvasive diagnosis of carotid artery stenosis: indications and limitations (Taylor) (CSVS) 114

Angioplasty, balloon

Endarterectomy versus angioplasty in the treatment of localized stenosis of the abdominal aorta (Steinmetz and others) (OA) 385
Percutaneous transluminal angioplasty for cerebral vasospasm after subarachnoid hemorrhage (Coyne and others) (OA) 391

Ankle

Atlas of Foot and Ankle Surgery. Michael J. Shereff (Waddell) (BR) 253

Anorexia

Disseminated intravascular coagulation complicating gastric perforation in a bulimic woman (Roseborough and Felix) (OA) 55

Anti-inflammatory agents, nonsteroidal

Toward universal prophylaxis of heterotopic ossification after total hip arthroplasty (Bogoch and Wright) (QS) 88

Anticoagulants

Heparin-induced thrombosis treated with ancrod (Brennan and MacKean) (OA) 161
Toward universal prophylaxis of heterotopic ossification after total hip arthroplasty (Bogoch and Wright) (QS) 88
Venous gangrene—further understanding (Harris) (QS) 368

Aorta

Photodynamic therapy for atherosclerotic stenoses in Yucatan miniswine (Hsiang and others) (OA) 148
SESAP VII Question; Critique: Items 285 to 287 93; 113

Aorta, abdominal

Endarterectomy versus angioplasty in the treatment of localized stenosis of the abdominal aorta (Steinmetz and others) (OA) 385

Aortic aneurysm

Chronic, contained rupture of aortic aneurysms associated with vertebral erosion (Galessiere and others) (OA) 23

Aortic aneurysm, abdominal

Defining abdominal aortic aneurysms (Graham) (QS) 7
Definition and management of abdominal aortic aneurysms: results from a Canadian survey (Moher and others) (OA) 29

Aortic aneurysm, thoracic

The Gott shunt (Von Opell) (C) 371
[reply] (Verdant) (C) 371

Aortic rupture

Chronic, contained rupture of aortic aneurysms associated with vertebral erosion (Galessiere and others) (OA) 23

Aortic valve stenosis

Endarterectomy versus angioplasty in the treatment of localized stenosis of the abdominal aorta (Steinmetz and others) (OA) 385

4. Current status of operative treatment for asymptomatic carotid stenosis (Towne and Hobson) (CSVs) 128

Carpal tunnel syndrome

Endoscopic carpal tunnel release (Roth and others) (OA) 189

Cartilage, articular

Continuous Passive Motion CPM. A Biological Concept for the Healing and Regeneration of Articular Cartilage, Ligaments, and Tendons from Origination to Research to Clinical Applications. Robert Bruce Salter (Waddell) (BR) 172

Catheterization

Heparinized saline versus normal saline in maintaining patency of the radial artery catheter (Kulkarni and others) (OA) 37

Catheters, indwelling

Heparinized saline versus normal saline in maintaining patency of the radial artery catheter (Kulkarni and others) (OA) 37

Cefotetan

Comparison of single-dose cefotetan and multidose cefoxitin as intravenous prophylaxis in elective, open biliary tract surgery: a multicentre, double-blind, randomized study (Lapointe and others) (OA) 313

Cefoxitin

Comparison of single-dose cefotetan and multidose cefoxitin as intravenous prophylaxis in elective, open biliary tract surgery: a multicentre, double-blind, randomized study (Lapointe and others) (OA) 313

Cerebral aneurysm

Percutaneous transluminal angioplasty for cerebral vasospasm after subarachnoid hemorrhage (Coyne and others) (OA) 391

Cerebral ischemia

Symposium. The current management of carotid artery disease: 3. Surgical management of internal carotid artery stenosis: preventing complications (Riles) (CSVs) 124

Cerebral ischemia, transient
